Skills

- Work well independently and under pressure
- Multitasking & Productivity through commitment and goal-setting
- Experienced at conflict resolution
- Enthusiastic & open to feedback
- Telecommunication
- Actively listen to the concerns of team members

Experience

Educurious, Seattle, WA- Intern JULY 2017 - AUGUST 2017

- Facilitated youth focus groups
- Networked with MYEI supervisors
- Created surveys for youth interns.
- Executed an email campaign sent out to opportunity youth interns.
- Investigated best platforms to contact youth interns.
- Analyzed feedback surveys

Harborview Medical Center, Seattle, WA- Intern JULY 2016 - AUGUST 2016

- Developed an inventory by going around HMC's 100,000+ sq. ft. campus. This resulted in the hospital running more smoothly in day-to-day tasks.
- Made calls to over 100 cell phone lines paid by HMC, to check usage, which saved \$70,000+

Filipino Community Center, Seattle, WA- Intern JULY 2015 - AUGUST 2015

- Assisted in the startup of the STEM program at Filipino Community Center.
- Collaborated with community center to implement a graffiti art program and robotics program with a variety of lessons and activities to further engage the youth
- Experience in fast-paced, demanding work environment

Education
